Walk this way

This is a great area for level walks. Choose a beach walk or a footpath across working farmland. Follow part of a disused railway or use an all-access trail.

Dog owners: please keep your dog under close control when on farmland footpaths or near nature reserves – and consider other Coastal Country Park users at all times.

Wonderful for wildlife

The Coastal Country Park is a wildlife watchers' paradise. Watch seabirds, waders and songbirds; spot butterflies and dragonflies – and look out for seals and harbour porpoises!
